Terms and Conditions

Clinical Laboratories of Hawaii, LLP (CLH) is pleased to be able to provide you access to health information via a web-based portal. Before accessing your account, please review the Terms and Conditions set forth below.

General Terms

By clicking "I have read and accept the Terms and Conditions" below, I am agreeing to the following terms and conditions:

I am requesting access to protected health information (PHI). I understand the access is provided over the Internet using an electronic application called Physician Portal (Portal). I hereby expressly authorize CLH to disclose identifiable health information to the designated Portal account for the purposes described below. My continued use of the Portal indicates my agreement to abide by these terms and conditions.

I understand my use of the Portal is voluntary and I may cancel my account at any time. I understand if I decide at any time to cancel my account, it will not affect my status as a client of CLH.

Verification of Identity

I understand creating the Portal account is contingent upon verification of my identity by CLH staff.

Minor Eligibility and Access

I understand I must be age 18 or older to request an account.

Account Activation and Information Security

I will receive a username and password from CLH staff. It is my responsibility to change my password immediately after my first successful login. If I need assistance I should contact support. I understand my username and password are unique codes that identify me in the Portal computer system and allow me to access PHI.

My username and password provide two factors of authentication. CLH stores this information in a secure database that is isolated from the Internet. I understand I am responsible for: 1) changing my password on a regular basis; 2) keeping my username and password confidential; and 3) changing my password on the Portal site if, at any time, I think the confidentiality of my password may have been compromised.

I understand it is my responsibility to notify CLH of any event (change in employment status, position, title, eligibility, etc) that may affect my legal right or authority to access PHI in the Portal.

I understand I will automatically be logged off the Portal after twenty (10) minutes of inactivity. My Portal account will automatically be disabled after five (5) failed log-in attempts. I understand I will need to contact support for assistance in unlocking the account. See the Minimum Browser Requirement and Technical Assistance section below for support contact information.

I understand CLH accepts no responsibility for and disclaims any and all liability or consequential damages arising from a breach of health information confidentiality due to my failure to fulfill my obligations under these Terms and Conditions. If

The information in the Portal is protected using encryption technology.

Access Cancellation

If you no longer wish to access PHI in your Portal account you may request access cancellation. Cancellation requests will be effective no later than 10 days after they have been received by support. You also understand your Portal account access will be disabled after 24 months of inactivity.

All content included in the Portal, including, but not limited to, text, photographs, graphics, button icons, images, artwork, names, logos, trademarks, service marks and data (the "Content"), in any form including the compilation thereof, are owned and controlled by CLH or are owned and controlled by third parties and licensed to CLH. Except as set forth below, direct or indirect reproduction of the Content, in whole or in part, by any means, is prohibited without the express written consent of CLH.

CLH grants a limited license to each Portal user for personal use only of the Portal website and the associated services in accordance with these terms and conditions of use. This license expressly excludes, without limitation, any reproduction, duplication, sale, resale or other commercial use of the website and the associated services, making any derivative of the website or the associated services.

Privacy

I understand patient privacy is of utmost importance to CLH. The creation of a Portal account and its use is consistent with the CLH Notice of Privacy Practices. I may review the CLH Notice of Privacy Practices via the Privacy link on the Patient Portal website or at <https://www.clinicallabs.com/about-us/privacy-policy.aspx> for a thorough description of how patient health information is collected, utilized, and protected.

Minimum Browser Requirements and Technical Assistance
